“ I remember Tony as a larger than life character who lit up any room that he entered. He always seemed to be laughing, smiling and joking whenever I saw him. He truly enjoyed life, and his deep love for Berniece and their kids and grandkids was so obvious to all. He was truly one of a kind, and will be profoundly missed by all who had the privilege of knowing him. There's a party up in heaven right now, and Tony is right in the middle of it!
