

David LaVern Hruby

May 15, 2020

David LaVern Hruby, 73, of Fort Collins, Colorado entered eternal life on May 15, 2020 at Poudre Valley Hospital.

David was born October 6, 1946 in Fremont, Nebraska to Dominic and Tillie (Dostal) Hruby. He was the eldest of 7 children. He enjoyed any activity that involved motors and gears and was particularly fond of tractors of all makes and models. He loved learning about old and new pickups and farm equipment. He made it his business to know every component of a motor, a transmission, and the new technology in the machinist world. He was particularly fond of his red 1995 Ford F350 pickup that was always kept in pristine condition. David and his JD garden tractor were well known for competitive neighborhood snow removal.

David attended Nebraska grade schools in Dodge and Howells and graduated from Clarkson High School in 1964. He entered the U.S. Army directly after graduation. Upon his honorable discharge he attended Milford Technical College and pursued a career as a Tool & Die Machinist. After graduation he was employed at Behlen Mfg. in Columbus, NE. He moved to Fort Collins and worked for Waterpick Mfg. David started his own Tool & Die business Accurate Tooling Concepts(ATC). In 1972 he was united in marriage to Jane Aerni of Columbus, NE. The twinkle in his eye were his beloved twin girls that were born to this union. He was still running his own shop at the time of his

death.

Those left to cherish his memory include his wife Jane; twin daughters Angela of Denver, CO and Andrea of Longmont, CO; a brother Martin Hruby of Tok, Alaska; five sisters, Sr. Cynthia Hruby of Omaha, NE; Mary (Roy) Stoltenberg of Cairo, NE; Rita Hruby of Wenatchee, WA; Bernice (Jim) Slagle of Lincoln, NE; and Lucy (Mike) Turek of Casper, WY.

David was preceded in death by his parents Dominic and Tillie Hruby.

A private Rosary and Mass will be held for the immediate family at St. Joseph's Catholic Church on May 20 and streamed online for others who wish to join in virtually.

Marty, thank you for adding some pictures. Those are the three pictures that filled the southeast corner vertically in Mom & Dad's bedroom in GI. At the farm house, the display of all seven of us was in what we called the back room.

“ As the second born welcomed by brown-eyed brother David less than 2 years old, he was my first best-friend. Our life in Linwood, NE, is remembered only by a few pictures. Our life as boarders at St. Wenceslaus in Dodge gave Mom time with next two children Martin and Mary, but no pictures of my one year nor his three. His handsome "Elvis" appearance during middle school and high school years always elicited admiration from girls in my class. Approving (?) his going to the Army after graduation from Clarkson High was one of Mom's hardest moments. Mary picked the BEST adult picture and that smile I'll always remember. Here are a few early favorites of mine.

“ Thoughts and prayers are with all of you especially Jane, Angela and Andrea. It is tough to loose a loved one. What a beloved picture of David! I chose a green candle because of his love for JD. Fritz would have loved that too. Love, Cousin Judy
