

David Pere

June 15, 1969 - August 14, 2008

David Péré, 39, of Windsor, died Thursday. David was born on June 15, 1969 in France, and grew up in the Loire Valley region. He is survived by his wife, Michelle Hall, of Midland, Texas; his parents, Jean-Pierre and Mireille Péré, of France; his children, Ethan and Mia Péré of Fort Collins, Colorado and Tristan Péré of Midland, Texas; his brother, Frederic Péré and wife Virginie and daughter Clara, of France; and his sister, Stephanie de Oleivera Vasconcelos Péré and husband Washington and daughter Sofia, of France. David led a broad and varied life. He studied international imports and exports in France before moving to London, England, where he resided for several years and managed a popular café in Waterloo Station. He served in the French military, during which time he was a part of Operation Hope in Somalia. After his military service ended, he moved to Fort Collins, Colorado, where he resided until moving to Windsor earlier this year. Those who worked with him during his tenure in industrial sales knew him as an astute and savvy businessman with a love of music, art, travel and literature. He was a devoted father to his children and a talented athlete who enjoyed many pastimes, including mixed martial arts. In recent years, many of his most-treasured activities involved his Harley Davidson motorcycles, which he spent many hours repairing, improving and riding. He had a sharp wit and a kind heart. David was brilliant, ambitious, generous, loving and beloved. His family hopes that those who knew and cared for him will find comfort in the knowledge that during his final days he found reconciliation with God and that he is at peace. Services in

commemoration of David's life will be held on Saturday, August 23. All who wish to join his family are invited to a memorial service on Saturday at 11:00 a.m., at Thunder Mountain Harley-Davidson (Crossroads Blvd., Loveland), followed by a wake at Coopersmith's Poolside (Old Town Square, Fort Collins). In lieu of flowers, memorial contributions for his children may be made to the Pere Memorial Fund, care of Goes Funeral Care or First Nation Bank of Fort Collins.

“ I only knew David for a few years but had the good fortune to work with him on a daily basis, ride with him occasionally and get to know him. In addition to our love of Harleys, and martial arts, David and I shared a deep love for our children. David would always smile when he spoke of his "Kiddos". He always worried about them and loved them deeply. I remember David visiting my house and getting the opportunity to meet my boys. He paid me the highest compliment by saying how great they were and pointing out how much love there was amongst us.

David, I am glad you are at piece, but you will be missed.

“ I never knew David personally but he was the kind of person I wanted to be when I got older. He was a business man with knowledge that I strive to know. He was confident and savvy, and seemed to have a magnetic personality. At work many times he was talked about because he was mysterious and very classy... This all probably sounds ridiculous but I have good memories of David, few but good. My heart and prayers go out to his family and I am very happy to know that he is in heaven with God, our Saviour. Please try to imagine him with our Father, without sadness, grief, pain or anything else that this world brings us. He is happy and he is forever taken care of in the mansions up above.

“ I only met who I knew as "Frenchie" a few times. What a great smile and I loved to hear him speak. I know he lived with pain and it was far greater than he. I know he can continue on now in a better place and with peace in his heart and soul.

“ Although it has been 10 years since I last spoke or seen David I still can remember him when he first joined AE. He started working in the Shipping/Receiving department. With his drive and initiative it wasnâ??t long before David moved on to bigger and better jobs. I remember him telling me stories about living in France and his childhood. I always liked to converse and joke with him any chance I had. His thick accent and strong voice told you how confident and proud he was.

I would like to express my deepest condolences to all of Davidâ??s family. I am sure that he will be at peace in Godâ??s hands. David, you will be missed my friend. RIP.

“ I met David in early October when he was hired as a business manager for our company. I had the privilege to spend some time with him while doing some initial orientation / training. David spoke of his children and was so proud of them. It was apparent right from the beginning that he was truly a genuine caring person. David had a good sense of humor and I always looked forward to the communication we shared. David's parents and children have much to be proud of. He will be greatly missed.

“ To a man who had inspired many, there was always a place for you in his heart.

David was ambitious, strong-willed, and was a very funny man.

I remembered calling him "Frenchie", which made him laugh.

Unless we were around customers, then he would say, (in his french accent) "no, no, please do not call me Frenchie around customers, not good for business.- well of course couldn't help but chuckle a bit- which broke him from his serious mode. David was very serious about his work, sometimes the little things helped to ease it a bit.

We all have our memories of this kind-hearted and wonderful man. He has touched our lives more than he would have known. We all love and miss you David.

“ I will miss David every single day and never forget the beautiful sole he had.

He was so talented, brilliant, kind, caring, loving and funny. He adored his children and was always full of pride. He was a friend and co-worker for over 10 years and we learned so much from each other. I will forever feel honored to have been his friend. I want his children to know how special he was to so many of us. There was a humility and vulnerability to him that he showed to some of us that made him very special. David, I know you are in a better place and at peace again. Love you forever, Deb

“ David was and is a beautiful soul. His eyes were bright with pride when he spoke of Mimi, Ethan and Tristan, whether serving them Nutella or describing their adventures. He read everything, and demonstrated genius with a passion to learn and innovate, yet favored for all time the story "The Little Prince". We all know his passion for action, speed, addicted to texting...

“Gazelle,

I can't tell you how much you brought light and spirit into our lives. I will never be able to visit New York without thinking of you and the fabulous French restaurant you took Pam and I to! You always inspired me to be more technical and that will always ring in my ears.

Your early morning Starbucks "must haves" and your brilliant sense of humor will be so missed. We talked about a spiritual trek to Peru and while I will make it in the next year or two, I will so be thinking of you when I'm there.

Your spirit, personality, brilliance and energy will be forever missed. I only wish you peace from here on out and know you are always loved.

He was a wonderful support, especially this last year, with my surprise 4th child pregnancy, joking that I should name her "Frenchie" in his honor! “ I met David over ten years ago through work and we quickly became friends. He always had a great confidence in himself and I thank David for all the confidence he placed in me over the years. David was always a bundle of high intensity focused energy as we road tripped to personal and work related events over the years. It was always an adventurous trip with a great opportunity to learn more about David.

When David's children arrived his perspective and priorities changed forever as he put his children in the highest priority. David's kiddos were always a part of any conversation; he would always share stories about what they did or what they were working on. I remember David talking about the birth of his children in depth with a passion only David could express. His children need to know their Dad loved them dearly and they were always a large part of his life.

I always enjoyed golfing with David and he would say; Doctor you swing like an Engineer, let me show you how! David could always swing a golf club. On a fishing trip to Walden many years ago we all got a bad sunburn, but David walked into his apartment with a string of fish smiling from ear to ear and talked for weeks about the fresh fish he cooked up with his special French sauce. I had the privilege to have numerous long conversations over the years with David on every topic imaginable and I always appreciated his perspective and honest approach to any situation.

David, you are a very special person who will always be remembered by me and will be sorely missed. I know you are in a better place, rest in peace.

“ Dearest David, it is July 2012 and I've only found out of your passing via the internet. Wow what a shock and a sad loss.

I have always and will always cherish our friendship and the time that I got to know you in 2005.

My fondest memories were teaching you how to snowboard! You weren't that crash hot, but you sped, zig-zagged, tumbled down those mountains with the biggest smile on your face and no cares in the world!

As your kiddos grow I am sure they will be reinforced constantly on what a loving, dedicated and special man you were. Your love for your kiddos was immeasurable and they were always in the forefront of any conversation.

David may your spirit be set free, may your heart be at ease and may your family be comforted that you were too good for this world and now you will watch upon those that you love and love you.

My love and friendship Kyllie 'your kiwi-aussie friend!' xox

PS. I'm sure you are up there cruising on your Harley, bandana strapped to your forehead, listening to Depeche Mode! Be free my friend! x
