“ Our family would like to express our sadness at the passing of Dennis Godin. He and his wife raised our friend Geno, one of the most decent and loyal people we know. Geno and family even though this time is extremely difficult know that you have many people who love and think about you often. Stretch out your hand, we will be there.

“ May the lord be with you during this time of sorrow but know that he is in a better place. You and your family are in my prayers. Even though I hadn't met your father, I know he must have been a great man and father because of how well he and your mom raised you. I know it's not for the best of reasons but, enjoy the time spent with your family. God Bless!

“ Our lives disappear as a cloud of smoke but the fragrance of relationships lingers in other's memory. So a man of God leaves a lasting impression on those he touches. May the memories of you husband, dad, grandfather or friend bring you much comfort and peace at this time. You are in our thoughts and prayers.

"The Lord is your help. The Lord is the keeper of your soul. The Lord will guard your going out and your coming in forevermore"
Psalm 121

“ *There just has to be fishing in heaven. What would heaven be without it? You will have to let us know where the good spots are when we catch up to you again someday.
Thank you for raising Gene as you and Grandma Godin did. Your son is a good man, a wonderful husband and excellent father. You did well.*

*With love,
Suzanne, Jessica and Joseph*
