“ I have only just now learned of Dennis’ passing. I am so saddened to hear this. I worked with Dennis at Tustin Dodge back in the 80’s along with Bims, Eric, Billy. Dennis (Glersch!) was always such a happy, positive person. His love of fishing, camping, dirt bike riding and spending time with those he loved made him such a wonderful person. My sincerest condolences to his family. Had I known sooner, I certainly would have been there to pay my respects. May you find comfort in your loving memories with him.
