“ Sue and family wanted to offer my condolences for your loss. Worked with Dennis at Dellenbach and became good friends. None of us know what lies ahead of us. Did not realize it was Dennis in the accident until saw the obituary and called Maztech. Should have followed the story and read it. Hold onto one another, lean on each others shoulders at time of need. May peace be with all of you.

“ I met Dennis through Maz-Tech and his business partner, Chuck Jacquinot. Dennis was always willing to go the extra step to provide good service for his business and clients, but more importantly he was a very honest, hard working man. He left this world way to early and he will be missed.

“ Dennis was a long time true friend to me starting in the early 70's at Pastor Motor in Fort Collins. What a crew we had, Chuck, Betty, Dennis and me. Dennis built a 327 V/8 for my street rod in 1976. We tried to get together for a beer every year. What a time celebrating my birthday on 3/15 and his on 3/16. Dennis was truly a GREAT GUY.
