

## Devin Neumann

November 22, 2020

We are heartbroken over the loss of Devin, who passed away suddenly at the age of 53 from sudden cardiac death due to an enlarged heart. Without warning and overnight, he passed very quickly and painlessly.

Devin was a remarkable human, dedicated father and husband and a loved and respected Ranger with Larimer County, in Fort Collins, CO. He was best known for his welcoming smile, willingness to help and joyful approach to life. He made the most of every moment and never let a day go by without expressing his love for his wife and son.

He was adventurous, kind, and full of optimism. He lived every day to make the next one better for himself, his family and everyone who knew him. He touched everyone who knew him and you just couldn't help loving him! He filled our hearts with hope, joy and dreams for the next adventure we'd have together. He lived each moment to the fullest. Making hopes and dreams come true for his family was his life-long pursuit and our future was forever bright because of him.

A small private service was held at his home on November 29, 2020 attended by his close family, friends and colleagues.

“ *I remember Devin when he was a little guy. Always a happy kid, a little imp who always made me laugh. Always on an adventure and super loving. His family and all who know him are very lucky to have had the opportunity to enjoy and love this wonderfully spirited young man in their lives.*

“ *I keep typing and erasing. I'm trying to find the words to express how much this man meant to me and how much he always will. It can't be done. No single paragraph can properly honor the memory of a man I looked up to so much. The beautiful thing about my friend Devin is (and was) that he put it all out on the table. EVERYDAY mattered to Devin. EVERYDAY was a chance to be nice to people, to empathize, to laugh with people, to make others laugh. Devin changed my life. I'm sure many people are fortunate to know that feeling as well. Thank you for everything and every lesson. The last time I saw you was when you and your family came out to see me at Hammocks Beach State Park in NC. It was exactly the right reminder at exactly the right time of what I had the potential to be. Those are the words I was looking for...Devin always reminded me of life's potential. I promise you my friend, I will remember EVERYDAY.*

*Oh my, Brian hit the nail on the head. I've lived seven and one half decades now, and in all my years I never met a person who impacted so many people around him! Devin was a positive person who spread the kindness and calmness to everyone around him. The last decade I worked with him and got to know him so well, and I will never ever forget Devin! Thank you my friend, for your giving soul and all that you did for CAST and everyone at Horsetooth! We will carry on for you!  
Rest In Peace*

“ *Devin MY SON,  
You and your brother share all the great attributes as a man. Far far too many to list. The stories that were told at the service at your home as well as the tributes on the web site all exemplify your character.*

*My memories are of you as a young boy.*

*One summer he, his brother and I ventured on a "White Water" rafting trip. It was terrifying for me but exciting for the boys. Only the three of us in a 6 man raft, no experience and cautioned about falling in that you may die. We obviously survived.*

*And the 3 day canoe trip through mid Ohio. "Deliverence" at its best.*

*Devin, I love you*

“ Devin was a bright light with a big heart! He taught me life lessons I'll never forget. He made me laugh until my stomach hurt. I've known Devin since a young age. Can I tell you how cool 😎 Devin was. So many memories to list. Going to the beach as a teen with Belle and Devin so cool!!! Hanging out at the apartment near the falls. Sleepovers, going to the pool. Everywhere they moved I would visit Fort Lauderdale, Cali and Colorado. I have looked up to Devin all of my life. Wakeboarding, dog walks, beach, pool and jacuzzi. Always outdoors. I loved the end of the day just relaxing and talking about life with a cold drink. listening to country music loud in the truck and singing alone. The keys, the zoo, Coconut Grove, Key Biscayne and Miami Beach just to list a few. Hiking in Fort Collins the lake. Devin will surely be missed. Rest easy! Love you to the moon and back.

“ Ah Devin such a gentle yet strong man! I adored how much Devin loved Belle and then saw his love grow even further once Cole was born. My favorite memory of Devin is house boating and the time as great friends Belle, Devin and I decided to lie under the stars on top of the house boat to talk about life enjoying the wonderful beauty of nature (something Devin was fantastic at bringing into peoples lives)! My next best memory that still makes me giggle is when he would impersonate the caterpillar from bugs life - Belle and I would roll on the floor laughing and his proud smile of his actions was just the best. Final but not last is Devin diving for acorns in the cold winter at his home in the Bay Area - popping out of the water with that infectious smile saying “c’mon it’s warm in here u can do it - jump!” Forever kindness, encouraging and amazing sole...u will be missed!

“ Having known Devin for more than half his life, I considered him to be my best friend. We shared so many things - softball, wakeboarding, hiking, bike riding, roller skating and more (including beer drinking and playing chess!) His passing has left a huge hole in my heart and I'll miss him forever - there will never be another like him.

“ One of my favorite fun memories of Devin was playing with Matchbox cars when we were about 10 or 11 years old. We were outside and playing "crash up" with the cars. Devin never did anything half way and after a crash he would open the garage door, place his car under it and slam it down. The car was indeed crashed. He always lived for the moment. I'll miss him. Love, Dave
