“ *Dianne and I worked together in Real Estate. Her manner was always so supportive of her clients and those of us in the office. She was such a gentle person and had a great deal of love for her family always. She is at peace and in the loving arms of Our Savior. God bless her and her family at this sad time.*

“ *Dianne and I became friends a couple of years ago when she worked Sunday mornings at Good Samaritan. Before services began upstairs we would always have a time for sharing her concerns and then having prayer together. I will miss her greatly. She was a very brave and courageous woman of God.*

I picked a green candle, for our years in Scouts. Dianne was a wonderful person. I will always remember our summer together and all the time we spent trying to get there. Hope you are now at peace and with your moms arms wrapped around you. I am sure she was waiting for you with a big hug.

“ *Dianne was a beautiful person and she reminded me of a gracious victorian lady. I worked with Dianne at Prudential real estate and would always know when she had a new listing or a sale by the excitement in her eyes. Her listings always meant we would be creating a brochure that would be tweaked over and over until it was perfect. In return she always was so thoughtful and would bring some precious homemade gift as a thank you. Her decorating talents were never ending and a joy to everyone. As office staff we always knew some special hand created gift would be coming from Dianne. Her family was a great joy to her and she would get so excited to tell us about what was happening in their lives. My thoughts are with the family of this very special lady! Barb Leger*

“ Diane will be greatly missed. She was a soft spoken and gentle woman. Highschool memories are all I have as I have not seen her since but she was such a great gal. My sympathy to her family in a hard time of their lives.

“ There's not enough space to write about all the memories I shared with Dianne. Girl Scout adventures and our trip to Europe could fill many pages. During our Junior year Dianne came to my house nearly every morning to get ready for school. We cut cake at each other's weddings and later we shared a great deal as young mothers. Every time I visited Longmont with my family, one day was set aside for just the two of us. May you all be comforted by wonderful memories, the support of family and friends and the peace of God. My thoughts and prayers are with you all.
