

Donald Williamson

May 20, 1952 - October 11, 2011

Donald F. Williamson, age 59 of Fort Collins, formerly of Greeley, died October 11th at Medical Center of the Rockies. Don was a former brakeman and switchman for the Burling Northern Santa Fe Railroad out of Denver. He was an avid N Gauge Railroad collector and had a wonderful set up in his home. Don was the type of guy who would give the shirt off his back to anyone in need; he never made concern about himself, he was always about someone else. Everyone who met him became a friend right off. He is survived by his brother and sister-in-law, Charles and Nancy Williamson of Wickenburg, AZ and his sister, Heather Maes of Denver. Cremation is planned and a private service and gathering will be held.

“ *I just saw this and I know it was a while back, but I send my blessing to his family and love ones. I am so sorry to hear that Don has passed. My husband Ken & I moved from Colorado many years ago. We enjoyed our times with Don. We had so much fun & so many good times with Don. He could really play his "Banjo." We would get together with a couple of friends and one would play her guitar and sing. He was a good person who always made me laugh.*

“ *First off I would like to say Don was a very kind and loving friend to me and our family. I will always remember him for what he did for my grandparents such as cooking dinner for them very often I might add and most of all for putting smiles on their faces as well as on mine. Don loved his trains and got most of us loving them too. Thank you Don for the gift of happiness you brought to me and my family. You will be missed. Your sitting in Heaven now with your best friend my Grandfather.*

“ Don was a wonderful and caring man. He lived behind my grandparents for many years and would always bring my grandparents food. He loved to cook and was excellent at it. He always welcomed us into his home during christmas for a big dinner and to all spend time together. He was very proud and and we love his train set he always had running during christmas time. My Grandpa and Don were very good friends and would always sit on the porch visiting. Don was always the most caring man and would do anything to help anyone. Don we love you and now you are in heaven sitting on a golden porch with My grandpa that passed away two years ago...looking down on all of us. We love you and you are now our guardian angel. Rest in peace with the choirs in heaven and all the beautiful gardens and angels. WE LOVE YOU

“ We will always remember Don as a loving and giving person. He loved to cook. On many holidays, especially Christmas he would invite our entire family over for a wonderful christmas dinner. His home would be decorated and his train would be traveling through a beautiful winter setting. Don also played the banjo. He and I would get together with guitar and banjo and play folk music. Don was very talented, infact I can still hear him singing Sunshine on my Shoulders. Don lived as Christ did with abundant Love for everyone he met.

My Father Bob Landry (past away 2 yrs. ago) and my mother Dea Landry new done very well and we considered Don as part of our family. He lived behind my parents house for many years and he was always so kind and generous he was always cooking meals for my parents and did what ever he could for them he was a very caring and loving person. He would always watch over my parents like an angel and that he was. He and my Dad and sometimes Albert Senior (who also just recently passed away last year) would go have coffee.
