I only remember meeting aunt Donna once or twice but I will never forget her big smile. She will be missed.

“ *I shared office space with Donna and Dan for many, many years. She always had a bright smile ready and a willingness to help me out when I struggled with, usually, software. Even during the busiest, craziest time of Tax Season she would always take time for others. I'm deeply saddened to hear of her passing.*

Donna was a beautiful and thoughtful woman. She, together with her husband, Dan always reached out to help when it was needed. My thoughts and prayers are with the family at this time.

What a terrible loss too soon of a woman of beauty, kindness and love. Her 'light' (whether energy or goodness) was in the service of her extended family (mother, siblings, and especially her husband and children). She will be greatly missed. Sincerest condolences to Dan and their family. May God's comfort and peace fill your heart..
