-> Donna Lafever went to be with the Lord on May 11, 2009, after a long battle against the effects of Parkinson's disease. Donna was a funny, creative, gentle, and giving woman who had an undeniable desire to serve others before herself. She was born Donna Lee Lenore Horner in 1936 in Omaha, Nebraska. Her family, including younger brothers Dale and Jack, moved to southern California while she was still a young child. She grew up attending John Muir Junior High and Manual Arts High School. Donna married Tom Moulton in 1958 with whom she raised their two children. She loved her family greatly – from her parents, to her brothers, then children and grandchildren. Donna was immensely proud of Teri and Ron and instilled in them the confidence that they were capable of accomplishing anything they desired. Donna was a homemaker for many years but also worked for the Federal

Reserve, Quotron, Inc., and for the LAUSD Psychological Services Department. Her work at the school district was the most rewarding because Donna had a great interest in behavior and psychology. Donna retired to Laguna Woods, California where she quickly made numerous friends. She and her friends played paddle tennis, billiards, cards and enjoyed the retired life. A few years after being diagnosed with Parkinson's, Donna moved to Fort Collins, Colorado to be closer to family. It was there that she fought for her health the hardest. The family expresses great thanks to the caring people at Turnberry Place Assisted Living, Golden Peaks Skilled Nursing, and Poudre Valley Hospital. Many wonderful men and women came alongside Donna and shared laughs and a few tears. Donna is survived by her brother Dale, children Teri and Ron, and her six grandchildren.
