

Drew Evans

September 15, 1983 - February 24, 2012

Drew Evans' zest for life was cut short by a bizarre and extremely unfortunate accident on February 24, 2012. Andrew Eric Evans was born September 15, 1983 in Fort Collins, Colorado to Gary and Cheryl Evans; the eldest of their three boys. He valued his family the most and spent his time with them every chance he got. They'll miss his half-dozen phone calls a day among so many other things. Drew grew up in Fort Collins and graduated from Fort Collins High School in 2002; where he played and lettered in football. At Boltz Junior High School, he participated in football, wrestling and track. He achieved the rank of Eagle Scout in Troup 283. He was a gifted and fearless snowboarder and wake boarder; as well as having other natural athletic abilities which he made look effortless. Drew and Bryce spent many wonderful and crazy hours snowboarding in the back country while roommates at Utah State. After high school, Drew attended Utah State University where he majored in Landscape Architecture. He had such aspirations for landscape design that will only now come to its fullest potential (designing and creating God's gardens). He served a two year mission for The Church of Jesus Christ of Latter-day Saints in Los Angeles, California, in Spanish Speaking congregations, assisting the community where he became fluent in Spanish . His mission was a life changing time for Drew. He has often said "It was the best two years for my life". His experiences there helped solidify his belief, testimony and faith in God. Drew will be a caring, compassionate and dynamic missionary in Heaven. Drew loved music. He played the guitar and electric guitar, always

hoping to play in a band someday. His mom and dad will always have fond memories of Drew and Bryce's noisy jam session lasting into the wee hours of the night. Their love for music has helped encourage their younger brother, Spencer to pursue music as part of his life too. Drew also had a tender heart for animals, especially his cat, Jazz, that his little brother, Spencer will care for from now on. A funeral service will be held, for all to attend, beginning at 11:00 AM Saturday, March 3rd at the Church of Jesus Christ of Latter-Day Saints Stake Center at the corner of Stover and Swallow in Fort Collins. A viewing will be held from 9:30 to 10:30 AM prior to the funeral service. Bishop Mitch Hanks will conduct the service. Dedication of the grave will occur immediately following the service at Roselawn Cemetery. Drew is survived by his parents, Gary and Cheryl; two brothers, Bryce and Spencer; maternal grandparents, Bill and Verta Koenig; paternal grandfather, Shirl Evans and numerous aunts, uncles, cousins and many friends who were so important and special in Drew's life. He was preceded in death by his paternal grandmother, Anna Jean Evans and Uncle David Koenig. The family requests that donations please be made, in lieu of flowers to the Church of Jesus Christ of Latter-Day Saints Perpetual Education Fund. Go to [LDS Philanthropies](#) and click on Perpetual Education Fund.

“ *Dear Drew's Family and Friend,*

I am very sorry to hear about the loss in your family. I remember Drew best from our High School years. Yes, I am Matt Jardine's little sister but Drew would always include me in the events that they would all partake in. He always knew how to make me laugh. Drew will be very missed and my prayers are with you all. Thanks Drew for being a wonderful caring person.

Sincerely,

Katie Jardine

“ Dearest Evans Family,

I have had you all in my thoughts and prayers this past week. Dr. Evans, you have been a huge light in my life, and my heart was filled with tears this week for you and your family. Drew and I ran into each other at Starbucks in Denver a couple of months ago, and I said to him what you always said: "If you two ever got into the same room, you would both just talk, and talk, and talk!" IT was SO true! We laughed about that! Drew was a good man, and he came from a wonderful family. His smile and those stunning blue eyes will forever be remembered by all of us. Much love to you and your family now and always. I will be lifting you all up in prayer. I was hoping I would be able to make his memorial service, but I have to fly out of town at 6am on Saturday. I will be there in spirit.

*Love,

“ Dear Evans Family,
Words can't express our thoughts and feelings about the lost of your outstanding young man. What joy and excitement he brought into the lives of everyone he knew. He touched people's lives in ways you can't imagine. I have heard from people from China, Michigan, and Utah who have fond memories of him and his zest for life. His great personality is one we are sure he is sharing with others on the other side.
May the Lord send you comfort at this time as you deal with temporary separation. Know you are in our prayers as you deal with your grief and loss. Know that you are loved and you raised an outstanding young man perparing him for his next role.

“ *Gary, Cheryl, and Family,*

I just want to say how sorry I am for the tragedy that has happened to your family. I know you have been wonderful parents and I thank you for your example during this difficult time in your lives. I wish I had known Drew better, I have always felt he was a wonderful young man. I have fond memories of him happily selling me our food storage and how competent he was with the information about the product. He was gracious in helping me receive all that I thought I should receive in a timely manner. I have felt like I have known all your boys through my visits to your dentist chair. Gary, you have been very positive about your concerns and the adventures of your boys. I hope you will continue to share about your family as I sit with my mouth wide open. We have grown to love you all over these many years and we express our sorrow, support, prayers, and love to all of you. We have happily contributed to the great PEF fund of The Church and know good things will happen for many young people in Drew's memory. With love and many prayers,

“ Dearest Evans Family,
Words cannot express how sad and sorry I am for your loss. Although Drew and I did not stay in touch after high school, I have many fond memories of him when we were kids together. I will always remember how he'd hop our fence and knock on the back door to come play hide and seek or help me take care of my guinea pigs. He was such a kind and thoughtful person and he will be greatly missed.

“ Dear Evans Family:

I am so sorry to hear about the passing of your son. I've always considered Drew a good friend. He was a great guy and will truly be missed. I have great memories of him through highschool, church, and seminary. We had a lot of fun with eachother! He helped ease the pain of 6 AM mornings at seminary. I remember sneaking out of Sunday school together on numerous occasions. One such occasion we made french toast at your house. We had fun hanging out throughout school and especially at our junior year homecoming dance. He was a great guy. I know that he is in a better place and will be taken care of. It is great to know that we have eternal families. All my love, Laurie Christensen Higgs.
