“ *We are heartbroken at just learning of this loss! We have so many memories over many years with Earl and Brenda. Earl and Ralph so enjoyed hunting together in Argentina, Arkansas, Iowa, South Dakota as well as Colorado. They traveled with us to golf tournaments in Australia and Alabama, and before Brenda's illness we had annual trips to Kauai where the guys could golf until they dropped! So many fun trips with them to Vegas, Jamaica, Branson, etc. One of my fondest memories is when Ralph and Earl played golf at Pinehurst on Father's Day. Earl was so excited he told us his heart was beating way too fast! He was one of the most intelligent people we have ever known and yet was the kindest, most generous, and had the biggest heart! Our loving thoughts go out to Brett, Brian, Becky, Holden, and Hunter. We loved Earl so much. May he rest in peace.*

“ *My fondest memories of Earl are all the trips we took to Iowa so Earl, Gordy & the boys could go pheasant hunting & Brenda & I could go shopping! I loved listening to Earl's stories & will miss him saying, "I'm just a good old country boy!". Rest In Peace dear Earl!!*

“ What I most remember about Earl was his big heart and the way he threw himself into any commitment. I had the privilege to serve with Earl on the Redeemer BOD and stand up at his baptism. I so appreciate our time to serve together.
