

## Edward Bednarowicz

March 2, 1914 - April 14, 2013

Edward "Ed" Bednarowicz, 99 of Fort Collins, Colo. Died April 14, 2013 at a local rehabilitation facility. A Memorial Mass will be celebrated at 1:00 pm Friday, April 19th at St. Elizabeth Ann Seton Catholic Church in Ft. Collins. Interment will be later in St. Casimir's Cemetery, Kenosha, Wis.

Ed was born March 2, 1914 in Kenosha, Wisconsin to Peter and Alexandria Bednarowicz. A horse enthusiast, he joined the U. S. Army March 30, 1942 to serve in the Cavalry during WWII. When the Cavalry dismounted he served in Dutch New Guinea. He received an Honorable Discharge with multiple decorations on January 7, 1946 and returned to Kenosha to work at the Simmons plant there. On April 25, 1953, Ed married Dorothy Bleicher in Kenosha. A devout Catholic, Ed was a member of St. Marks, St. Thomas and St Casimir's Catholic Churches in Kenosha over the years and was a member of St Elizabeth Ann Seton in Ft Collins.

When the Simmons plant closed, Ed decided to become a barber and got his license in the early 1960's. He enjoyed barbering until retiring in his late 70's. Ed and Dorothy moved to Fort Collins in 1989 to be closer to their daughter and her husband and wintered for many years in Apache Junction, AZ.

Ed was an avid hunter throughout his life and always had a beagle as his companion dog; typically, he named them Toby. He finally gave up his hunting

license and decoys at the age of 92 and was one of the oldest Coloradoans to hold a license. Ed read the newspaper from front to back every day and always maintained his love of the church, his family and horses. Three years ago he had the pleasure, at the age of 96, of going on the Honor Flight for WWII Veterans to Washington DC to see the WWII Memorial.

Ed is survived by his wife, Dorothy; their daughter, Jean (and husband, Warren) Clark of Ft. Collins; and his sister, Mary Skowronski of Kenosha; and several nieces and nephews. He was preceded in death by his brothers, Chester and Frank.

“ *I had the pleasure of going on 7 or 8 hunting trips with Ed when he was in his 80's and early 90's. These trips averaged about 3 days. That's when you really learn a lot about someone. While I thoroughly enjoyed hearing so much about history, what impressed me the most was his love for Dorothy and all of his family. This was reinforced on every trip. Most impressive to me was his great pride in Jean. Every trip included the most interesting monologues on everything Jean had and was accomplishing in her life. Since Ed seemed quieter in Fort Collins than in a pickup truck in the middle of nowhere, I'm not convinced he told a lot of people about his true feelings and thought I should mention it.*

*Ed what a long life you have had - been long time since I have seen you but would think of you and Dorothy now and then. Your visits to the hospital lab to see Dorothy at work or social events we had you attended remind me of a gentle caring person. My prayers are with your family - god bless Mary Lou Lemens, Kenosha Wi (former St Catherine's Medical Technologist.)*
