

## Ellen E. Weber

November 9, 2021

Ellen Elizabeth Weber of Fort Collins, Colorado passed away as gracefully as she lived on Tuesday, November 9, 2021 at 93 years young.

Ellen was born on July 7, 1928 in Superior, Wisconsin, to Kenneth and Elizabeth Corbett.

In 1950, she married Wesley Johnsen and the couple moved to Colorado. There, they adopted four children: Gil, Jana, Kent, and Paula. Ellen loved being a mother. She raised her kids with love, fun, and adventure. The family spent summers and holidays traveling the continent in their motor home, making lasting memories that her children still cherish today.

During the Blizzard of 1982, Ellen married Claude Weber. This marriage brought three more children into Ellen's life: Craig, Claudia, and Carlye. Ellen and Claude enjoyed a wonderful life together traveling the world, completing home projects, and enjoying "it's 5 o'clock somewhere" happy hours.

Ellen lived a purposeful and meaningful life. She was drawn to service and was proud to be recognized as a 25-year Volunteer at Poudre Valley Hospital. Her actions reflected her motto: Attitude, Attitude, Attitude. She was artistic, creative, and a gift to everyone who knew her.

Her devotion to God endured throughout her life. Later in life, she was re-baptized at the Yarrantit baptismal site along the Jordan River. She loved the Lord and is now dancing in Heaven.

Ellen loved unconditionally, was upbeat, and found joy in every situation. She loved her family, her friends, and her life in Fort Collins.

She is survived by her children, stepchildren, grandchildren, great grandchildren, nieces and nephews, and many wonderful friends.

An outdoor celebration will be held at 2:00 pm, November 28 at Ellen's home, 1222 (18) Forest Hills Lane, Fort Collins. Please wear your favorite color - hers was blue. Live streaming of Ellen's service will not be available.

Memorial contributions may be made to Pathways Hospice of Fort Collins.
