“ Gene was a friend and was liked by all during the school years, the 60's, I remember fondly. He was full of mischeif, had a gigantic smile and a bright twinkle in his eyes. He was so fun to be around. So sorry to hear of your loss. God bless you all.

“ Gene was my graduation marching partner at Poudre High in '67. Since we were in the "W's" last name there weren't enough girls to march with boy/girl. I remember he was so excited to graduate, he almost tripped up the stairs. I can't say where he had been the morning of graduation rehearsal, but some might remember. We went our ways after that, but whenever I ran into him, he always had an upbeat thought. RIP My thoughts to his family.
