November 18, 2021

Eulys J. Murray JR. (Ace), born in the state of Georgia to Eulys Murray Sr. and Rose Victoria Hendrix Murray on Thursday, September 14, 1950, Eulys J. Murray Jr. (Ace), died on Friday, November 19, 2021 in Loveland Colorado at the age of 71. Eulys is survived by a Daughter in Fort Collins, Colorado.

Ace lived a hard life in many parts of the country, Georgia, Oklahoma, Texas, Arizona and Colorado to name a few. You may have seen him among others, living on the streets of Loveland and Fort Collins for many years where many came to know him. A face you looked at or looked away from, someone holding a sign, stubborn, hard and selfish to some then caring, loyal and giving with others; loved by some, loathed by others.

Spending any time with Ace, one quickly discovered how well known he was around the community as well as how many people he knew. Business owners, community service organizations and those on the street all knew him.

He recently, through the help of Caring Community workers, moved into a furnished apartment. Stating that this was the nicest place he had ever had, he was excited and grateful for this opportunity and change in his life.

Ace spoke of a time where he asked Jesus into his heart, though, as many do, he struggled with the idea he could be forgiven of his life mistakes. We are assured that All who Believe and Ask are forgiven. They are together now.
