“ *My precious friend! I met Faye at RNCR where my mother was staying. I loved her the minute I met her. She was so wonderful to talk to, She told me stories about her family and how much she loved them. She would get so excited when she talked about her youthful memories. Thou I knew her for such a short time, I feel like she was a long time friend. I loved to see her smile when I walked in the room to visit her, a memory I will cherish. Jesus you have another beautiful angel to watch over us. Praying for peace to her family. God bless you all.*
