“ *The Teachout family and extended family has been one of the most respected families since I can remember from my teen years in Shenandoah. Though I didn't know Fran, Bryson picked her for his wife so she must have been a wonderful lady. My thoughts and prayers are with the family.*

“ Dear Teachout family,
I have so many wonderful memories of times enjoyed with your family from the rides to school from our farms outside of Shen double dating with bryce, fran and her cousin from Oakland, Lee Ellen, to visiting Bryce and Fran in Denver when I was being tested for Pilot Trng at Lowry AFB and partying in later years when my wife, Pat, and I were living in Boulder. There were many fun times in between like the All Class Reunion last year when we were all able to revisit old times together before the several health problems appeared in both Elvin and Francine. All valued memories!
