I have so many great memories of working at the Post Office with Frank. He was an excellent carrier. His customers appreciated the service he gave them. I also enjoyed visiting with him at the Union picnics and Christmas parties he attended since I retired. I will miss you, Frank.

“ *I worked with Frank for about thirty years at the Post Office. He was always a very pleasant man and you could joke with him about anything. My condolences to his family.*

“ I won't be able to come to the memorial for Frank, but I wanted to express my condolences to Michelle and the kids. I only worked with Frank for a couple of years when I started as a letter carrier. Frank was always helpful and patient which meant a lot for a newby like me. Over the years I mostly visited with Frank at our union picnic and Christmas party. It was always great to see him and enjoy his low key humor and insightful comments about all of the different aspects of our work. RIP Frank, I'll miss seeing and speaking with you.
