April 2, 1926 - March 23, 2015

Fyrne Roberta Gross Thompson, age 88, of Fort Collins, died on March 23, 2015 due to complications from cancer. A Memorial Service will be held at 2:00 pm on Friday, March 27th at Goes Funeral Care, 3665 Canal Drive, #E, Fort Collins, CO. Cheri Jensen will officiate and many memories will be shared. Fyrne's ashes will be placed at Fort Logan National Cemetery, beside her husband Clyde, at a ceremony in the near future.

Fyrne was born on April 2, 1926 in Gering, Nebraska to Fred and Eva (McKinely) Gross. She grew up in Gering with her siblings, Sue, Doug, Treva, Jo Ellen and Gary. She graduated from Melbeta High School where she was prom queen at the May Fete. Fyrne was best friends with Mildred Fitz and Virginia Tanner. Fyrne married Clyde Colen Thompson on October 2, 1947.

Fyrne is survived by her children, Michael L. Thompson, Roger L. Thompson and Penny Sue Thompson-Varnell; her grandchildren, Christopher, Marcus, Megan, Brooke, and Devon; her great grandchildren, Adyson, Landon, Jase, Elliot, Michelle and Megan; and siblings, Doug Gross, Treva Templar, Jo Ellen Rizor and Gary Gross. She is predeceased by her husband Clyde and sister Sue.

Fyrne was best known for helping others and being more concerned about their welfare. Even at the end of her life, she would open the conversation with

“Are you okay?” An appropriate tribute to Fyrne would be to check in with your family, friends and neighbors a bit more; toss an extra can in the food bank when they come by or just think about her with a smile.

“ *Even though I have never met Fyrne in my life, I have heard her name often. As long as I can remember, my mother has spoken about her childhood friend Fyrne with such respect and fondness that her name has always been associated in my mind with kindness, loyalty, and friendship. Sadly Mother told me of Fyrne's passing. May God comfort your family during this time of loss.*

“ My heart aches of your loss and my absence for the funeral, but it is not with endless fond memories. The times playing basketball in the back of the Fort Lupton house, having you make me lemon honey tea that only you could make right and trying to avoid when you wanted me to brush my teeth with baking soda. I remember riding around in the car when you got the new Nissan Stanza and thinking it was the coolest car ever because it had automatic seat belts. Going to these memories will always bring an immediate smile to my face. As much as we all will miss you I know we will find comfort knowing that you are no longer in pain, and can smile down on us as we reflect on all the happy times. I love you Grandma.

“ Living in Alaska we didn't get to see Aunt Fyrne as often as we would have liked, but we still have wonderful memories. She was the first family we saw on our many visits to Nebraska. She always greeted us with a smile, a hug, and made sure we had something to eat. In fact, she insisted on it. We always looked forward to visiting her. She made us feel loved and special each and every visit. She will be greatly missed.

Our sympathy, love, and support go out to all of our family during this difficult time.

Love Mike, Angie, Jessica and Savannah

“ *My sister had already moved from the family household by the time we moved from Ne. to Wyo. and I was only four years old. Therefore, my primary memories were about 13 years later when I started to college. She and Clyde always welcomed me and my friends into their home during our many trips to the Denver area from Laramie. Her sincere interest in my activities was always welcome. After Mid and I were married, we made many trips to Denver for fun, which included visits to the Thompson family for many nights of cards and laughter. No matter what her situation, Fyrne showed sincere interest in our health, our pictures and things we had been doing. The period of time we both lived in the Fort Collins area, 1995 to 2005, were the Best! We played scrabble many, many days, holiday baking, birding and discussing travel, friends and family.*

Thanks to my wonderful sister. You are greatly missed.

With much love and many wonderful memories.....Mid & Gary

“ *Cinnamon jogged my memory about all of our visits together with Fyrne. We'd have lunch at the restaurant with her or just coffee. She was always welcoming and it was an enjoyable time whenever we'd stop in. We loved her. We love you and are thinking of all of you. Ellen*

“ I cherish her love, acceptance, and interest in all the little details of everything I shared with her. I was always amazed at her gratitude with small gestures of love and support from family. Fyrne had a servants heart and she sought to make you feel comfortable in her presence. She will be greatly missed.

“ We will always remember a trip to the east coast with Fyrne in 1998. We visited Canada, Vermont, New Hampshire, Massusetts, New York, etc. We all had a great time. The scenery was magnificent.
