“ We were saddened to hear of the tragic and unexpected loss your family has endured. We only recently met Gary through his A1 Metal Roofing business and found him to be very friendly. He was a very pleasant person. Not a pushy salesman at all, we enjoyed his easy nature in dealing with us. He had to have been annoyed with our roof! It kept leaking and leaking! The crew came back several times and finally got the issue resolved! We so appreciated Gary's commitment to quality and great service. It certainly demonstrated his personal integrity.

Our hearts go out to you, as do our prayers.

“ Mary and family,

I was so sorry to hear about Gary's accident and you and your families loss. As Gary's banker and friend for many years, I have great memories of him, especially those years when he was climbing every rock on the planet.

My thoughts and prayers to all.

Regards

Tom

“ Gary was the most entertaining person I've ever met. He always had a joke & just as easily could joke about himself. He was a grounded & a down to earth person who's energy & spirit & kindness will be missed.

Rest In Peace our friend
