“ We were so sorry to hear of George's passing. He was truly a good neighbor and inspiring the way he kept going and working hard, despite his physical problems. Elvira, we hope that you and your family will find comfort in the fact that George is at peace now, and we are so glad that you have your family for support. Please let us know if you need any neighbor help, and we are so sorry that we are unable to make it to George's funeral.
