

George Lampke

September 9, 1933 - April 26, 2010

George Lampke, 76, passed away suddenly April 26, 2010 at his home in Fort Collins. George was born September 9, 1933 in Dorchester, Massachusetts to Frances and Fred Lampke. George graduated from Brookline High School and Massachusetts Institute of Technology. Upon graduation George married his first wife Diane Kleinberg, and served in the U.S. Army. After an honorable discharge George lived in the Greater Boston area where he was employed by Raytheon for many years, followed by Xyvision. George travelled both nationally and internationally with the Appalachian Mountain Club, and enjoyed white water canoeing and skiing. He was a computer engineer who proudly sported his pocket protector while commuting on his motorcycle or in his sports car. George enjoyed contra dancing which is where he met and courted his current wife of 21 years, Karen Lampke, as they spun across the dance floor. Upon retirement George and Karen moved to Fort Collins, Colorado where they travelled on many special camping trips to Dowdy Lake and enjoyed attending local music festivals. George cherished trips back east to see his children, and the hours he spent camping, building garden railroads and doing lego robotics with his grandchildren. In recent years George and Karen travelled annually to Maui, Hawaii where they could be found on the patio at Napili Shores watching the whales breach offshore. George is survived by his wife Karen, his sister Carole LaRoche and twin brother Sydney Lampke, children Barbara Conte and Barry Lampke (Jenny Holliday), his step children Sonya Whitesell (Justin), Erika Campbell (Cam), and his

grandchildren Graham, Jill, Ben, Sarah, Willa and Dylan. He is preceded in death by his parents and his siblings Herbert and Rhona. Private memorial gatherings will be held in Fort Collins and Massachusetts. Memorial contributions may be made to Engineers Without Borders-USA, or the Pacific Whale Foundation. Condolences may be sent to the family c/o Goes Funeral Care 3665 Canal Drive, Fort Collins, CO 80524

“ *Sorry to hear about your loss. We didn't know until today. (4-29)
George was a nice man. He helped Karl out one day when Karl
dropped his motorcycle and all 800+ pounds were sitting on his big
toe!
Our daughter Kellie made friends with Jill and Graham during their
summer visits. Glad to have such nice neighbors, sorry to lose
George. His was a life well lived!*

“ *From all of the staff at Pacific Whale Foundation we are expressing
our sincere condolences on the passing of Mr. Lampke. He and
Mrs. Lampke visited Maui where our foundation is based and
enjoyed the whales and supported the work we do on behalf of the
marine environment. We have appreciated their support and thank
them on behalf of the whales. We are very happy that Mr. Lampke
traveled here and took pleasure in being on Maui. With much Aloha,
Kelly Vough and the Pacific Whale Foundation staff.*

“ While I did not know Mr. Lampke very well, I have very many fond memories of him and spending time at his house with his grandchildren, Jill and Graham, with my sister, Kellie, during the summers before I move from Fort Collins two years ago. He was always very kind to us and I am very deeply saddened to hear of his passing.
