“ *Gary was a pranster, an all around great guy, fun to know, kind of like a big brother and friend rolled up in one. He was handsome in a rough kind of way, and always had a tinkle in his eyes. I remember him as being one of the good guys in school. Someone I respected and looked up to. He always treated everyone as an equal and never treated anyone badly, and respected everyone else. I wish I had kept in touch with him over the years. I am so sorry to learn about his passing. He's probably up there in heaven watching down on us, and helping out where ever he can like a guardian angel. God speed Gary, and God Bless all of your family !*

“ *Although I haven't seen Gary for years, I will always remember him as a good friend. We had a lot of laughs in the past. He will be missed by many.*
