“ We (Cody and I) like so many others cannot believe this to be true. It is hard to imagine that place that you held in this world is now gone. I am left speechless and unsure what to say. This is so sad. I thank you for always being "YOU " Gilbert . The one that could always make people feel important with each hug as you greeted them and a smile that made everything feel like home, comfort and secure. Thank you for always being a great friend to my husband (Cody) and I and a 3rd son to my mother in law and such a great brother to my brother-in-law (Rick) you will always be greatly missed. Rest in peace my friend
