“ I remember the Sheridan school trip to the Grand Canyon from summer on the Tonto plateau up hill into blizzard conditions near the hotel and everyone finally getting to sleep on the floor of our respective rooms.

May God be with you. He surely was on that day. Harold.

“ I would see Glenn at Mass every morning. Glenn would always be there after Mass standing at the door. He would always greet me by my first name and ask me how I was. Glenn was always a warm person wishing me to have a good day as I went off to work. I will miss seeing him every morning.

*In Him,
Kevin*

“ Uncle Glenn, I have very fond memories of you , since I was very young. You were always being silly. I remember the first time I saw you pop out you false teeth, nearly scared the pants off me. (Don't remember anyone doing that before.) I remember you as a kind, gentle, loving man. You were a great father, husband, and UNCLE. I am so glad that you, Aunt Julie, and your oldest son Doug, were able to come back this summer and spend time here in Storm Lake. I am very proud to have had you in my life! Please look down upon us now and then, and put in a good word to God, for us. Hope to see you, and all our loved ones someday. Hopefully, not too soon!
Love, your niece Donna

P.S. Julie and all of your family, I offer you my deepest sympathy. He was a good decent, loving man, and will be missed very much. You are all in my thoughts and prayers.
