

Gordon Muniz

February 14, 2021

Gordon Dean Muniz was an amazing man and called home to be with the Lord on February 14, 2021.

“And loved with his whole heart no matter the situation.”

He also loved being involved in everything even if it was just running errands. Gordon loved to cook and he was amazing at it. He made the BEST tamales in Fort Collins! Gordon also loved being with family and friends. Every person in Gordon's life enjoyed his cooking, which will be missed dearly.

So many people were impacted by Gordon and he always left his mark wherever he went. Gordon was always going to the grocery store which was also one of his favorite hangout spots. Gordon had a lifelong friend, John, who we want to thank for always being there for him. Gordon had one granddaughter named Harper. Thanks to Papa, she already developed a gum drop obsession.

He is survived by his daughter, Sachell Muniz, granddaughter, Harper Evans, and sister, Cynthia Rodriguez, along with other family members.

He will be dearly missed. We love you!
