“ *I'am so sorry Janet and your family for your loss. I just found out about her passing on Sunday, when our oldest son brought us the newspaper. I would've been more then glad to attend her services if only I known.*

“ *I meet Grace while she was receiving Meals on Wheels. Pretty much fell in love with her after first meeting her and looked forward to my Friday to get a hug. Recently visited with her while she was in Columbine Rehab Facility and was with her the day before she passed away. I am very, very thankful I was with her that day. She was so very proud of her family. Cartha Richmond*
