

Gregory Whitten

March 9, 2024

In beautiful loving memory of Gregory James Whitten, 46, of Ft. Collins, who passed away on March 9, 2024. It is an understatement to say Greg will be missed. He will bless us and live on through our hearts, thoughts and memories forever.

Greg was a remarkable athlete whose passion for sports ignited a flame in all who knew him. From his days on the football and wrestling teams at TVHS to his Collegiate rugby career at Western State University, Greg's athleticism was matched only by his dedication and pride in his pursuits. As a member of the Sigma Phi Epsilon Chapter at Colorado State University, he found brotherhood and camaraderie that enriched his life.

Beyond the realm of sports, Greg's love for adventure and the outdoors was profound. An avid boater, water skier, wakeboarder, and wakesurfer, he found his greatest joy on the serene waters of Lake McConaughy. His love for hunting, fishing, and camping further attested to his deep connection with nature. Yet, above all, Greg cherished his role as a loving and dedicated father to his beloved son, Maxwell.

Professionally, after graduating from Colorado State University, Greg's journey was illustrious marked by his success at Gallo Wines and Fortune 100 companies including Pfizer. However, it was his role as an advocate for senior

living at Morning Star Ft.Collins that truly showcased his skills of ultimate compassion. For nearly six years, he served as the Director of Community Relations, touching the lives of many with his warmth and kindness.

Greg's commitment to his community extended beyond the professional realm. He devoted himself to coaching youth sports, particularly football, instilling values of teamwork and determination in the next generation.

Greg is survived by his loving father, Larry Whitten, of Ft. Collins; his devoted mother, JoAnn Bigner, of Loveland; his adoring sister, Kiffany Whitten, of Denver; and his cherished son, Maxwell James Whitten, of Fort Collins. Their loss is immeasurable, and Greg's absence leaves a void that can never be filled. Though he may no longer walk beside us, his presence will forever illuminate our lives. Rest in peace, Dearest Greg, knowing you are deeply loved and profoundly missed.

A celebration of life will be held at 2:00 p.m. on Sunday, April 21, 2024 at Block One in Fort Collins, all are welcome to attend. Please contact for details

“ *I just found out about this and am so sorry to hear of Greg's passing. My mother was in memory care at Morningstar and passed last spring. Greg was instrumental in getting her the care she needed as I was going through radiation and chemo in 2022, and if the road to Heaven is paved with one's good deeds, Greg went there on an eight-lane freeway. Planet Earth will miss him.*

*Mary,
Thank you for your support and post. Greg cared so deeply about everyone at Morning Star and developed very deep connections with them. I'm sure he is still looking after your mother. I hope you are doing better with your own journey to find health and finding success beating that terrible illness. Ha- he was most likely fast tracked to Heaven.
Thanks for your post- his Sister

“ What a terrific celebration of Greg's life held today. It was so tough to learn of Greg's passing and it still hurts but seeing his family and friends come together and share stories, hugs, tears and human kindness made it so much better. I am very thankful for the time I shared with Greg, as we coached our boys when they were younger and sitting in the stands the past 2 years solving bad play calls in between solving world problems. Greg was special and so giving to those he cared about. Max, your dad was a good man and I know you have a foundation that will take you on your own journey and I look forward to seeing it all unfold. All the best to the family!

“ When I lost my Dad, Rodney Whitten, I took comfort in this photo knowing the grief I had for his loss was equal to the Love I had for him on Earth. I know he will meet Greg at Heavens doors and I am so sorry for the loss of your son and for Max's Father.

“ My deepest sympathy goes out to Greg's family and friends. I had the pleasure of working with him in 2019 and was inspired by his dedication to serve seniors and joy of being a father. May he rest in eternal peace.

“ Greg was a wonderful human. I had the pleasure of working with him only a brief time but he made a huge impact on me. He was always so interested in learning and we shared a love for hunting and fishing. I miss him.
