“ I am so sorry to hear about Harold passing on. I had the pleasure of knowing Harold from working at Woodward. He was so fun to be around. I loved his laugh and smile. He always said the funniest things. He reminded me of my Dad, who also worked at Woodward. My Dad is in Heaven too and I am sure my Dad is glad to see him. You never know they might even have their own plant meeting, God knows, we all so loved those meetings.
My heart goes out to you all. It is so hard to lose a loved one. May you always keep memories of him close to your heart. You have gained an Angel to watch over you now. Believe me, I feel the presence of my Mother and Father everyday He will be greatly missed. My prayers go out to you all. Love, Sharlene Mannon

“ There are so many memories of Harold, over 60 years worth. Would not know where to start. I remember that little ornery streak, fun-loving never harmful. He will be dearly missed by all ages. Prayers for Myrna and the kiddos.

“ Since 1974 I hold dear so many memories shared in Harold and Myrna's home as we spent fun times with Rickie, Vickie and Kent plus the youth and their families of church. Harold's teasing, laugh and sincere concern for all of us is a memory so dear. How he loved his family and all of their friends. We always belonged because of this open door welcome warm feeling. Vickie was daddy's girl. Rickie and Harold seemed so much alike with their love for farming and just knowing how to do "things". Kent brought life and lots of laughs and his dad was so proud of his talents. Myrna ... wow, so loved by her sweetheart. I loved the way they were usually together.

So, dear Lord, please bring comfort to Harold's loves of his life, dear Sheri, ALL the grandkids and many many friends ... We miss you, Harold. Thank you for being a wonderful friend.

*Myrna, our prayers go out to you and your family. I will miss seeing you two at our favorite eating places on Fridays. I just got home from hospital after having back surgery so we did not know about Harold's death until this past week. You know we would have been there. We knew you two from the time we started dating. met our husbands and lived with them for 60 years (our anniversary will be November 20), worked together at one point in time and have always thought the world of you two. May God be with you during the upcoming days which will be hard. Blessings
