

Hayden Dean Wood

April 4, 2018

Hayden Dean Wood, age 25, of Ft. Collins, Colorado was granted his angel wings on April 4, 2018. Hayden was born in Ft. Collins. He attended and graduated Ft. Collins High School in 2010. Throughout his life he enjoyed playing basketball and made lifelong friends with his basketball family. He enjoyed watching and attending Nebraska football games with his family. Nebraska Cornhuskers were in his DNA. Hayden had a special bond with his younger brother Jesse. He was not only a brother, but a mentor, always looking out for him, even putting in a good word with Santa Claus. Whether it be giving him basketball pointers or just hanging out.

Hayden met the love of his life, Hannah November, six years ago and they were recently engaged to be married. They built a wonderful life – hanging out with friends, working out together and making improvements on their newly purchased home. They loved live music and took several out-of-state trips to listen to their favorite artists. A love for recording artists, Pretty Lights, brought them together. Hannah saw Hayden across the room and told him he looked like Derrick Vincent Smith. After that, he never left her alone. Hannah loved Hayden enough to support his Cornhusker obsession by keeping beer handy for him to throw at the TV when they were losing.

Hayden worked in North Dakota alongside his family in the oil industry for a period of time. While there he met and made lifelong friends. Upon returning

to Ft. Collins he worked with his uncle and cousin installing garage doors. Most recently he worked for Martin Marietta as a quality control technician. He left an everlasting impact with everyone. His energy for life was addicting and he shared many great times with his Crew. Hayden had many great memories of camping, fishing and traveling with his family and friends. Hayden was full of life and love. He made every day count. Everyone he met was filled with a sense of joy in their hearts. He always had a smile. Hayden had an infectious laugh and his ability to paint a story was uncanny. His charisma was captivating and his soul was beautiful. If you were lucky enough to meet Hayden, you had an instant friend. He will always be remembered as a gentle soul, loving brother, son, grandson, nephew, cousin and friend.

Hayden is survived by his parents Gary and Jenny Wood; younger brother Jesse; fiancé Hannah November; and Grandfather Alan Wood. He is also survived by Aunts, Uncles and many cousins: Uncle Randy Hellman; Aunt and Uncle Debbie and Wayne Elliott; Cousins Shane and Amy Meyers, Mitchell and Tami Elliott; Uncle and Aunt Jim and Beatrice Horob; Cousins Allen , Jackie, Chance Horob; Uncle and Aunt Luis and Theresa Holguin; Cousins Mycal and Amanda, Mathew and Amanda, Marcus and Mason Holguin; Cousins Levi and Ashely Hellman; Uncle Bruce Wood; and Cousin Levi Wood; Aunt and Uncle Judy and Bill Black; Cousins Sami and Kyle Rutherford and Clinton Libsack; Uncle and Aunt Larry and Mo Wood; Cousins Miranda Wood, Zach and Amanda Salter; Aunt Lynn Beecher; Cousins Ginny and Nicole Beecher; Uncle and Aunt Sam and Suzanne Poynter; Cousins Sarah and Shelby Poynter.

Hayden is preceded in death by his Grandfather George Therrien, Grandmother Marion Wood and Uncle Bradley Hellman.

The celebration of his life will be held at Faith Church, 3920 South Shields in Ft. Collins on April 11, 2018 at 10:30 a.m. Reception to follow at the church.

Goes Funeral Care is handling the funeral arrangements. A candle light vigil will be held April 10 at Spring Canyon Park at 7:00 p.m., hosted by 3 Hopeful Hearts. Friends and family are welcome to attend.

In lieu of flowers, memorial contributions may be made to Hayden Wood Memorial Fund. These may be mailed to Hayden's family or sent in care of Goes Funeral Care, 3665 Canal Dr. Suite E, Fort Collins, CO 80524.

Jenny and Gary would like to give many special thanks to Martin Marietta for all their support and generosity. The overwhelming love and support showed by friends, family and community are a true tribute to Hayden's character.

Hayden was a proud member of The Dog Face Club, also known as "THE DOG POUND". He will be forever missed.

“ When I think of Hayden Wood, there is always a few themes that instantly flood my mind. Hayden Wood, had the best skill that most others lack. He could walk into the dullest environment, and take a look around at all the bored faces, who robotically went about and figure out some way to remind everyone how we could be having as much fun as he was. He always had a goofy smile that matched his personality. He was still proud which you could tell came from his family. He would often make jokes and lighten up everyone's day. Actually, I can't think of a time when I was around Hayden and I had a worry. He was so gifted in making something so serious seem so finite. Which is crazy because hearing about his death, that was my first thought. Maybe Hayden had a job to do and that job was to remind the world that you can find a way to laugh and have fun. Hayden was so young and wanted to be taken seriously sometimes. However, we enjoyed his goofy personality we hardly allowed him to be anything other than that. I know for a fact he looked up to his father. He talked about him constantly, in a way that underneath it all you could see he was working to make him proud. I just hope this world learned what Hayden taught us all. That life is finite, that the is something funny we can talk about. That being taken seriously as a robot is unsatisfying. That we all need to laugh and that he is someone we can learn from. God bless you Hayden. I have been praying for your family. With love and grace RIP

You had the most contagious smile and laugh. You were always joking around but you always took pride in your work. I was so happy to see you and say hello the other day. We made it brief because I was returning to work soon and expected to see you very soon. You made the workday Breeze by, you were such a great guy! I miss you already and work won't ever be the same without you. You will be dearly missed brother!

Gary, I hope you know that your son loved you very much and thought the world of you if nothing else hopefully you can find solace in that. I can't imagine what you're going through right now.

Much love
