“ To Horii family,
I was amazed to read the notice of your mother's passing. I have fond memories of the Horii family as I was growing up in the Keenesburg and Prospect Valley Area. I had no idea she was a Brookdale which is within a stones throw from my home. Fond Memories always.

“ Dear Horii Children, Our family was surprised to open the Tribune and read of you mother's passing. I (Shirley Shaklee Howard) had last seen your mom on her 90th birthday. She was still living on the west side of Greeley. I didn't hear anything about her after that. We have good memories of your mom and dad. To many to number. But I do set out your folks' wedding pictures every February when I decorate the library with wedding pictures I've inherited. I would love to hear from any of you. I don't know how to use the computer (this is my daughter here on my behalf). You would need to call (970-352-0909). Best regards and sympathies from Shirley June Shaklee Howard, Jonathan Howard and his family, Jennifer Howard, and Crystal and Doug Rymer.

“ We moved into a home next door to Helen and Roy in 2003. What a treat it was to have such nice neighbors! One of the fun times was when neighbor Aileen and Dorothy had a birthday lunch for Helen. It was so nice to see all the smiles of the old friends and listen to their happy conversations. No present could have brought more joy! Love to the family for their great loss. “ So sorry to hear of Helen's passing. Our love to all of you. I knew Roy and Helen when they lived in Prospect Valley and Greeley. (My parents, George and Mollie Schwartz) were good friends. I always enjoyed visiting with both of your parents
