

## Helen Arlene Lovelady

June 5, 1923 - April 15, 2015

Helen Dietrich Lovelady, 91, passed away peacefully, on April 15, 2015 at Lemay Avenue Health and Rehab, with her family by her side. Survived by her daughter Paulette (Jack) Oliphant, granddaughters, Laura (Brian) Pannell, Susan Schulgen, and great granddaughter, Lindsey Pannell.

Helen was born June 5, 1923 in Albany, Pa. and moved with her parents and brother, Maurice Dietrich (deceased), to Santa Rosa, Texas in 1929. After graduating from high school and business school, she went to work at the Harlingen Air Force base where she met and married the love of her life, Paul T. Lovelady. When their daughter was six months old, Paul, went to war for 18 months. Helen lived through that hard time with her parents, V. F. and Minnie Dietrich (both deceased). After the war, they lived on various Air Force bases, including Tripoli, Libya, before retiring to Dallas, Texas. After Paul passed away, she moved to Fort Collins in 2004 to be close to her daughter. She lived in various Columbine Health locations where she received the most wonderful and loving care. We will always be grateful for their support the past 11 years.

Helen loved to garden, quilt and made many of her own clothes. At LAHR she became a Wii bowling champ and loved all the fun activities there. She was a very kind, affectionate, Christian woman and her family enjoyed her quick smile and loved making her laugh until she cried. She will be missed by so many friends and family, but is now reunited with her loved ones in Heaven.
