“ *Dee was so kind and genuine. Her and George made me feel so welcome when I stayed at their house. I especially remember the amazing brownie sundae she made and all the places she took me to see the sights in southern CA :-). Her joy for life will be greatly missed.*

Mom was such a vivacious, fun loving person. She taught us all so much and she is missed so much. Thankfully she is free of pain and with her older sisters and brothers now.
