“ We lost a great family man! LeRoy you were loved dearly by people who knew you and it was a pleasure to have you in our lives! You always had a smile on your face, you liked every one you met and you were one of those rare people who would give a friend the shirt off your back!!! I will miss you and think of you often!!!

“ What an honor to be a part of my father. He had a love for life that I've never seen in a person. Crazy good times we had that will never be forgotten. Thanks papa for everything. I will never stop missing you.
