“ *Love Lives On*

*Those we love remain with us
For love itself lives on,
and cherished memories never fade
because a loved one's gone.
Those we love can never be
more than a thought apart,
for as long as there is memory,
they'll live on in the heart.

“ *I was surprised to hear of the passing of Mike today. As I reflect back on my life, I cannot find the words to express what I'm feeling. Through the good times and the bad times, I knew you were there for me. I guess what I'm trying to say is THANK YOU for being part of my life and helping me become the man I am today. I still hate lima beans. TJ*

“ I worked with Mike at Aspenleaf Apartments for 10 years. The last time I saw him was when he came to my retirement party about 18 months ago. We could tell that Mike was failing at that time. We had many good laughs with Mike when he worked at the apartments! So sorry to hear he has passed on. He was filled with so much knowledge that we would often turn to him to "figure" something out. I always thought he should have been a teacher as he loved to explain things and was very good at explaining so that everyone could understand. My sympathy to all of his family, especially to his mom. May he rest in peace. Barb Nielsen
