“ *I remember the 1st time I met Aunt Mike and Uncle Ercil, that is how she was introduced to me since Aunt Irene was still alive, but we sat out on Aunt Lareva's front porch and talked, it was a beautiful day sunny day out when they arrived.*

“ I will always remember Irene's joyous smile! I was delighted to know her when she was still rollerskating ~ amazing! Most of all I appreciate that she and Ercil raised up wonderful children, especially Dale !

“ Sending love and prayers to you. I have several memories of Aunt Irene but the one that pops up first is her love of roller skating. I remember a visit with her and her telling me all her roller skating stories. She had even sent me a pair of skates that were hers. I used them until they fell apart. I also remember her smile. She had a great smile and always a twinkle in her eye. Love

Great family always good conversations and fun to be around. I really appreciated the way they visited with my dad and mom .It ment so much to them when they moved to Colo.Then aunt Jo moved out and thoes were my moms favorite years , just so much fun to get together > Irene was a smart lady stubborn and stuck to her ways just like my mom in so many ways. I know you guys will miss her I was just thinking a few months ago that she might live longer than my aunt Anna from Denver but not quite as Anna made 104 . Prayers for all I will never forget any one of you . In my book all a model family
