“ *Irene is indeed survived by her sister now living near Lincoln UK. Always a pleasure to converse with Irene and Stuart although circumstances meant there weren't many opportunities. Hoping she finds peace and that both her and Stuart's last wishes are granted.*

“ *I can confirm that she is indeed survived by her sister now living near Lincoln in the UK. Personally always found Irene a pleasure to talk to but circumstances meant that this didn't happen as often as I would have liked.*

Hello Chrissy, this is John Hunter Irene's nephew and her sister's son. I'm so sorry to hear of her passing and was wondering if you can help us understand what happened to her? Adelaide is still very much alive and we a concerned that Irene ended up in a nursing home when we thought she was planning something quite different.
