“ Dear Ronnie and Family:

I met Jack in a Calculus class at CSU, back when I was in Pre-Veterinary Medicine, and Jack was in Animal Science majors. We hit it off immediately and enjoyed studying and drinking coffee.. I invited Jack to be my roommate at our farm South of Fort Collins.. Jack and I roomed together one quarter, but we enjoyed visiting and studying together.. Jack taught me how to fish, bought me my first legal beer when I turned 21, and I was Blessed to see and you get married Ronnie. We have shared a lot of things over 58 years of friendship.. Neither of us ended up as Animal Scientists, or Veterinarians. We both ended up as secondary educators in high schools in Kansas, Wyoming, and Colorado. When I think of Jack, I remember him saying, "The good Lord is with us all the time, in good and bad times of this world." "We need to enjoy the good so we can get through the bad. "WE all will miss Jack, Son, Husband, Brother-in-law, Father, Grandfather, and Friend.. I do know where he is... He loved his Lord and Savior, and I know he is probably fishing in one of those beautiful Heaven trout rivers. I am Blessed to have known Jack and called him Friend all these years.. God Bless Jim and Sandy Robbins, Fort Collins..
