“ I dated jack for nine years. We had a lot of great times together. I went with him to conventions and we spent many weeks using my timeshare all over the USA. He was almost always kind and generous to me and I loved him dearly. I spent many hours in his home and he in my home. I had two little yorkies dogs and he was always buying things for them. I miss him very much and have not dated anyone since. I had hopes of us marrying, but could not handle his alcohol and his untrue stories and comments. Have lots of pictures of the time we spent together. I am so sorry for Melanie and annisa as I had hoped to eventually be a mother to them. I cared about them very much and hoping they have had good lives, because I still think of them. I moved back to my home town and live close to Kirk.

“ Jack Smith was a great friend to both of us. We shared many great times-Bronco football, CSU football, camping, Broiler and County Cork nights, setting up swing sets in the backyard, fishing and rebuilding fences that Max tore down. We love Melanie and Anissa as our own, and Scott thought of Jack as a great uncle. Jack was with Joe through all of Ann's health problems and no matter how long the in between visits, it was like we hadn't been separated a day when we got together again. We will miss you, our buddy Jack, and send our sincere condolences to the girls.
