“ *It never failed that he could tell me why his giants were always better than my dolphins, and he was of few guys that could actually talk stats about their team. I will miss you my friend and I will always tell Alex how great a dad you were*

“ James you may be gone but never forgotten. I will always remember the first time I met you and every good time after that. Every time I see the Avalanche, New York Giants, and the Boondock Saints I will think of you and know that you are up in heaven smiling down on everyone you loved. I am so happy and great full for all the times we shared. You touched the hearts of everyone that had the pleasure of meeting you. I wish I was there for you these past couple of years, good bye my friend and I love you.

“ In the last week, I've summoned up so many memories of you. Today it's cold and rainy here and it made me think of penny wars in the basement and putting on snow gloves to slap box each other;) you always let me win... We had so many fun times as kids and then into adulthood. I wish it hadn't been 6 years since I had seen you last. You will never be forgotten. Lost way to soon, but never forgotten. My heart aches for your family and all of us. Still in shock... You are dearly missed old friend.

*Even though you are gone away,  
Your love will always be here to stay.  
You touched our hearts with so many things.*

*God knew you were the one to save,  
He took you home to get some rest,  
Even though we loved you best.*

*Our hearts are filled with so much pain,  
God loved you more, there was no shame.*

*At this time we must let go.  
Your memories we will keep a flow.  
Rest our dear cousin with peace of mind,  
Your memories will live on through.*

*Rest In Peace
