“ *Our deepest sympathy for your loss. Jim coached our son's soccer team and during one of the games there was a corner kick and Jim called my son his son out to the sideline. They talked and then went back in. After the game i asked my son if they had a special play he gave them and he said he said now that I've called you both out here they are going to think you are going to kick the ball to Matt. But he had him kick to another player and they scored! Brilliant! You are a beautiful family. Our thoughts and prayers are with you. Sincerely, Brian and Janice Tormey*
