

## Jana Francine Retherford

September 5, 2020

Beloved wife and mother passed away September 5, 2020 surrounded by her loving family, after a lengthy battle with neuroendocrine cancer. Jana was preceded in death by her parents, Gary Pickering of Salt Lake City, Utah and her mother Jannine (Toungate) Maxwell of Colorado springs, Colorado.

Jana attended William J. Palmer high school in Colorado Springs. After she graduated she was employed by Current Incorporated and was a marketing forecaster for 18 years. She married her best friend and the love of her life Darren Bradley Retherford on September 29th 1990. She had two sons Bradley (Diana) Retherford and Tanner J Retherford. Jana also has a sister Jaele Jaggie of Charlestown, West Virginia and a brother Maruel Mugs Maxwell of Colorado Springs, Colorado, as well as several Nieces and Nephews. After staying home to raise her two sons Jana went back to school to become a medical assistant and an EKG technician where she could help people and make a difference in a job that she loved.

Jana will be missed by all who knew her; she was a great friend of so many people. No services are planned at this time in honor of Jana's wishes. In lieu of flowers, contributions may be made to Pathways Hospice of northern Colorado.

“ *Bubba,  
our hearts go out to you, your sons and the rest of the family and friends. We have said many Prayers for Jana and you over the years and now they will be for the family and friends who are dealing with their loss. I truly hope that you and your sons will focus on all the great times you have shared with the love of your life and their mom and find little things in the future that will remind you all of her and bring a smile to your hearts. I only got to meet Jana or woman as to how you introduced her to me a couple of times and I just knew in my heart that she was a wonderful lady and your best friend. Mary and I will continue to pray for healing in your family and please know I am just a phone call away.*
