“ *Kim, This is from your junior high yearbook sponsor--a voice from the past to be sure. I wanted to extend my sincere condolences to you and your family in the loss of your mother. I can see you as I remember you in your Mom's face. You were a great talent as a photographer, even at that young age, and I've always hoped you would pursue it. You have my deepest sympathies. All the best, Charlotte Herbig Jackson*

Thank you so much Mrs. Herbig (now Jackson). I've thought about you so much over the years. You are one of those teachers who made a true impact on my life, and your note means so much to me.
