“ *I was fortunate to have a mom who worked so hard to provide a nice home for her family. She taught me how to sew, garden, clean and eat healthy. She drove us to the mountains so we could ski while she knitted in the lodge. She drove me all over the place to indulge me in my passion for horses and built me a coral at home for my own horse. She bought us a trampoline, a color tv and a playhouse. She did her best to teach us right and wrong and give us a good education. I appreciate her so much!*

“ I met Jane in 1956 when she moved to Colorado. They moved next door to me on Akin Street and we have been really good friends since. We have taken several trips together some to my husband's folks in Texas. I will miss her being there for me. Rest in peace Shirley Bowers and family

“ I am very sorry to hear about Jane's passing. I did not know Jane, but know her son Richard (or Dick) very well. Through Dick, I have come to know her. Jane had spunk, a wonderful sense of humor, and a keen, observant mind. She will be missed, greatly by those who knew her.

“ Jane was a second mother to me while I was in graduate school at Colorado State. She made one of her famous sweaters for me and always offered for me to visit her for lunch and dinner. I loved her spunk and vigor. Once in the CSU library she made a loud "HI!" at my desk shattering the quiet in the library:) So funny. She was always happy with a smile and laughter. Wonderful lady, greatly missed.
