Another activity they loved to participate in was the fall gleaning project to bring fresh vegetables to the food bank.

After Frank's death in 2010, as Jane needed more assistance, her daughter Merle moved in with her and provided 8 years of loving support. Daughters Merdie, Sharon, Robin and Marianne also provided help as needed.

“ *We are so sorry to hear of Jane's passing. My husband Don and I went to church with Frank and Jane at Westminster Presbyterian Church. Actually we all joined the church at the same time. Frank and Jane were so much fun and full of life! They had us and a few others over for dinner and we had such good conversations. Jane and I served as deacons at the same time. We use to visit a few of our parish members together; those members were in nursing homes. And we drove to our deacon meetings together. Jane was easy to talk to, interesting to listen to, she asked about my son often, and she always had a great attitude. She will be greatly missed.*
