*Oh Mary I am so sorry you lost your Mom. She was such a trooper and always did the best she could for everyone. I loved her and her optimism. This is hard to go through. Will pray for you. She is being loved right now by her father in heaven and reunited with all who left before her. Wished you called. I never check Facebook any more and just had a feeling to look tonight. Love you*

Mom. I miss you so. The kindest person ever, always thinking of others even to her last earthly day. Sad you will not get to see me retire!
