

Jennifer Jean Lebsack

October 13, 2025

Jennifer Jean Lebsack, 72, passed away peacefully Monday, October 13, 2025 at her home in a memory care facility in Fort Collins, Colorado.

Jennifer was born July 24, 1953 in Torrington, Wyoming to LeRoy and Rose Lebsack. She was their second child and first daughter, of a total of five children. The family lived in small towns in Nebraska, Wyoming, Colorado, and Idaho, settling in Laramie by 1965, where she attended junior high and high school. After graduating, she began a 43-year career at the University of Wyoming, retiring as Business Manager, Dean's Office, in the College of Education in 2015. She moved to Colorado a few years after her retirement to be closer to family.

Jennifer was a cherished member of her family, whom she cared for deeply and generously.

She was a devoted daughter and her four siblings and many nieces and nephews were among her closest friends. She was able to enjoy the next generation of great nieces and nephews as

well.

She enjoyed traveling, roadtrips, and driving. She loved music and having a good time. She had a passion for the simple things in life. While Jennifer did receive awards, accolades and achieve many milestones throughout her life, what truly mattered to her and defined her was her strong understated character, integrity, and a solid personal Christian faith that guided her.

Jen lived her last year at Mackenzie Place in Fort Collins where her dignity, independent nature and full personality thrived. She loved to laugh and had a fun sense of humor. She spent many days outside in the courtyard walking countless laps and basking in the sun - sporting a nice tan to prove it! She was a facility favorite and had the love, dedication and friendship of her caregivers to include the Opal staff, her Bristol hospice team, and visitors; with gratitude extended to Dr. Angela Mills with Bloom Healthcare as well.

Jennifer, "Jen," will be sorely missed and celebrated by her brothers and sister: Stephen (Debbie) of Laramie, Wyoming, Gary of Rock Springs, Wyoming, Bryan (Lora) of Fort Collins, Colorado, and Sandra (Scott) Anderson of Timnath, Colorado; her nieces and nephews: Casey (Kevin) Cook of Wyoming, Carl (Tegwin) Lebsack of Maine, Tarah Lebsack of Wyoming, Mary

(Aaron) Hudlemeyer of New Mexico, David (Sarah) Lebsack of Colorado,
Rachel (Sam)

Weinstock of Colorado, and Laurel VerBurg of New Mexico; and her great
nieces and nephews:

James, William, Elliot, and Mitchell Hudlemeyer; Naomi, Abraham, and Chloe
VerBurg; Libby

Lebsack; Evie and Jack Weinstock; and Lucy and LeRoy Lebsack. She was
preceded in death

by her parents.

A private family celebration will be held at a later time. We extend the love of
our dear Jen and

hope you remember her fondly.

“ Jennifer was a trusted, highly competent colleague for 28 years. She could be relied on to get the job done. Above all, she was a good friend.

“ My deepest condolences to Jennifer’s family. Jennifer hired me to work in the UW College of Education in 1992 and we worked together until her retirement in 2015. She always cared about my two children and they were even the beneficiaries of some of Sandy’s clothing creations back in the 90’s! We shared a very professional relationship but we also had the good fortune of becoming familiar with each other’s family members. I am thankful she is now at peace and may your heartache soon be eased by the beautiful memories you will forever hold in your hearts. Debbie Martinez - Laramie, Wyoming
