

Jerry Buttorff

October 16, 1944 - December 16, 2009

October 16, 1944 – December 16, 2009 Jerry Buttorff, age 65, was born October 16, 1944 in Fort Collins to Helena and Earl L. Buttorff. He graduated from Fort Collins High School in 1962 and attended Colorado State University, where he was an All American Football Player. He served in the U. S. Army, which included a tour in Vietnam. Jerry was CEO and owner of a marketing company, which he operated for 33 years with the love of his life, Sandy. He was an avid golfer who enjoyed playing with his many friends and could always be counted on to participate in any charity golf event. Other charitable interests included his passionate efforts to provide Christmas for local children. Jerry's tender heart extended to anyone in need, especially a lost or homeless pet. If he could not personally provide a home for them, they were provided for by his generous donations to ASPCA. He will be missed by countless friends and especially those he was willing to assist with opportunities of employment within his company. A Celebration of Jerry's life will be held at Mulligans, 2439 South College Ave. at 1:00 pm Sunday, December 27, 2009. In lieu of flowers the family requests that donations be made to the Manuel Cordova Memorial Fund.

“ *For Jerry's family,*

I can only offer condolences on his passing. I have passed on this obituary information to many of his classmates from the FCHS class of 1962.

We will miss him.

“ I worked with Jerry for almost 2 years on his medical accounts with PVHS and got to know him quite well. It was a shock to see that he had passed away so suddenly. I will miss the almost weekly phone calls that we had. I could always count on Jerry for an update on the economy and looked forward to hearing how well his business was doing (or not doing as the case maybe). He even called me shortly after his 65 birthday, estatic that he had finally turned 65 and was going to finally have insurance. I was so excited for him and, at the time, looked forward to assisting him for many years to come. No matter the state of the economy or how his business was going, I always told him that you can only go up from here. I know that he finally did go "up" from here and hope he is in peace now.

“ How sad I am too get news of Jerry's passing. He is one of my classmates who I'll always remember and can vividly see him in my minds eye. I remember him as a very jovial, fun loving guy. I know we are all at the zenith of our lives, but to have one of our very own important friends from the past pass on at this stage in life hurts my heart. I love all my class mates; we were a pretty tight group, and to have Jerry pass beyond our midst is sad but at the same time my heart fills with joyful remembrance of a really great guy.

So long my friend. God bless you and your family.
